

STOCKPILE ALFALFA

THE MARK OF PURE PERFORMANCE

A Yield Leader

Stockpile is a true leader when it comes to performance. With its excellent quality, persistence and disease resistance package combined with consistent top yields, Stockpile is an excellent choice for growers who demand the most out of their alfalfa crop.

BY Alpha – The Mark of Pure Performance

It starts with elite genetics. But it's not just outstanding yield and quality. Through teamwork and production expertise, only the purest seed arrives at our accredited facilities for processing, testing and quality assurance. These top performing varieties deliver increased yield, better nutrition, and more milk per acre. Guarantee your seed investment with BY Alpha – the Mark of Pure Performance.

Forage Yield Leader

Stockpile's dense persistent stands make it a forage yield leader.

Stockpile Yield Performance*

*Yield information was taken from available public small replicated trials across the United States and Canada.

Key Characteristics

- Outstanding forage yield potential
- Produces high quality forage
- Outstanding disease and pest resistance
- Fast recovery and excellent persistence

Winter Survival & Adaptation

Fall Dormancy	4
Winter Survival	1.4
Stand Persistence	Excellent
DRI	30
