

STRONGHOLD ALFALFA

THE MARK OF PURE PERFORMANCE

The Alfalfa Fortress

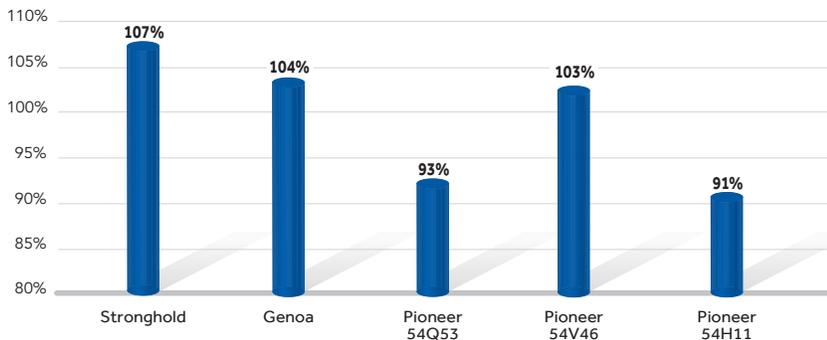

Stronghold is a new high quality tap root alfalfa, targeting the high yield and high quality forage producer that will stand the test of time. Stronghold offers excellent winter survival while providing excellent late season regrowth, with an excellent disease package to ensure great stand survival. Stronghold was selected with top quality, persistence and yield in mind for the dairy or hay producer looking to solidify his forage production and win the battle.

BY Alpha – The Mark of Pure Performance

It starts with elite genetics. But it's not just outstanding yield and quality. Through teamwork and production expertise, only the purest seed arrives at our accredited facilities for processing, testing and quality assurance. These top performing varieties deliver increased yield, better nutrition, and more milk per acre. Guarantee your seed investment with BY Alpha – the Mark of Pure Performance.

Yield Performance

Stronghold combines great defenses and quality strategies to win the war in yield.

Performance data from replicated trials in North America.

Forage Quality

VARIETY	NDF	NDFD	RFQ
Stronghold	38.8	44.6	155
54Q53	40.5	44.5	145
54Q56	41.1	43.4	140

VARIETY	2006 YIELD T/A	MEAN RFQ	2006 LBS MILK/ACRE
Stronghold	5.65	155	14,243
54Q53	4.71	145	11,729
54Q56	4.80	140	11,277
