**A NEW LEVEL OF POD SHATTER RESISTANCE
WITH BLACKLEG DEFENDR[®] PROTECTION**

FEATURES

Contains a new genetic source of pod shatter resistance well suited to a direct harvest and delayed swathing system

DefendR-rated multigenic blackleg resistance

Excellent yield potential with mid-season maturity

Yield	101% ¹
Blackleg	R – AG (9% of Westar)
Major Gene ID	Rlm3, RlmS
Standability	Very Good
Maturity	+ 0.9 days ¹

DISEASE MANAGEMENT RATING

R = Resistant

¹ Yield and maturity ratings based on comparison to WCC/RRC check hybrids.

* Next-generation resistance includes pathotypes covered by first generation resistance plus resistance to newer pathotypes such as 2B, 3A, 3D, and other prevalent pathotypes.

DEFENDR[®]

GENETIC TRAITS

The DefendR symbol indicates above industry average levels of genetic resistance to one or more of the most important canola yield reducing factors. It represents the strength of the breeding programs of our primary canola breeding partners and is a promise to you that you're purchasing a hybrid with exceptional yield potential and leading genetics for disease and/or harvest management.

Performance in 2022 Trials

Resistance Trait	Minimum Resistance Level	Hybrids
POD DEFENDR [®]	A dependable level of shatter tolerance well suited to straight-cut or delayed swathing harvest systems. Pod DefendR-rated hybrids score a minimum of 7.0 on the Canola Council of Canada's canola shatter rating scale.	BY 6217TF BY 6211TF
BLACKLEG DEFENDR TM	Multi-genic (multiple major genes) resistance to blackleg and a strong R rating for adult plant blackleg resistance.	BY 6217TF BY 6216TF BY 6214TF
CLUBROOT DEFENDR TM	Stacked first and next-generation clubroot resistant genes that provide protection against a broad array of established and new pathotypes such as 3A, 3D, and 3H.	BY 6217TF BY 6216TF BY 6214TF

DISTINCT BY DESIGN

At BrettYoung we are proud of the strategic partnerships we have with world-class organizations through which we source leading technologies and genetics. This allows us to bring **distinct** market choices that deliver you performance and value. **By design**, our success will always be rooted within your success. Like you, we are independent, resolute, and **Distinct By Design**.
