**INCLUDES BRETYYOUNG'S CLUBROOT DEFENDR® AND BLACKLEG DEFENDR RESISTANCE TRAITS**

## FEATURES

Stacked 1<sup>st</sup> and next-generation clubroot resistance

DefendR-rated multigenic blackleg resistance

A full-season hybrid with excellent plant vigour and standability

<b>Yield</b>	101% <sup>1</sup>
<b>Blackleg</b>	R - CF
<b>Major Gene ID</b>	Rlm3, Rlm9
<b>Clubroot</b>	R (next-generation* resistance)
<b>Standability</b>	Excellent
<b>Maturity</b>	+ 1.9 days <sup>1</sup>

### DISEASE MANAGEMENT RATING

**R** = Resistant

<sup>1</sup> Yield and maturity ratings based on comparison to WCC/RRC check hybrids.

\* Next-generation resistance includes pathotypes covered by first generation resistance plus resistance to newer pathotypes such as 2B, 3A, 3D, and other prevalent pathotypes.

# DEFENDR<sup>®</sup>

## GENETIC TRAITS

The DefendR symbol indicates above industry average levels of genetic resistance to one or more of the most important canola yield reducing factors. It represents the strength of the breeding programs of our primary canola breeding partners and is a promise to you that you're purchasing a hybrid with exceptional yield potential and leading genetics for disease and/or harvest management.

## Performance in 2022 Trials

Resistance Trait	Minimum Resistance Level	Hybrids
	A dependable level of shatter tolerance well suited to straight-cut or delayed swathing harvest systems. Pod DefendR-rated hybrids score a minimum of 7.0 on the Canola Council of Canada's canola shatter rating scale.	BY 6217TF BY 6211TF
	Multi-genic (multiple major genes) resistance to blackleg and a strong R rating for adult plant blackleg resistance.	BY 6217TF BY 6216TF BY 6214TF
	Stacked first and next-generation clubroot resistant genes that provide protection against a broad array of established and new pathotypes such as BLANK.	BY 6217TF BY 6216TF BY 6214TF

## DISTINCT BY DESIGN

At BrettYoung we are proud of the strategic partnerships we have with world-class organizations through which we source leading technologies and genetics. This allows us to bring **distinct** market choices that deliver you performance and value. **By design**, our success will always be rooted within your success. Like you, we are independent, resolute, and **Distinct By Design**.
