

SUNDOWN

PERENNIAL RYEGRASS

Delivers Vibrant Color and Durability

Sundown perennial ryegrass offers outstanding turf quality and vibrant color, excelling in permanent turf trials and overseeding applications. Carefully selected for its exceptional uniformity and consistency, Sundown provides a high-quality turf that stands out. It also boasts superior grey leaf spot resistance, strong overall disease resistance, and high endophyte levels for enhanced durability and performance.

Key Characteristics

- Excellent turf quality
- Dark color
- Excellent wear tolerance
- Superior grey leaf spot resistance
- Excellent stand quality
