TURBOCHARGE
ALFALFA

Built for Maximum Performance.

Turbocharge is a high-yielding, fall dormancy 5 alfalfa built for maximum productivity. With rapid post-harvest recovery and excellent forage quality, Turbocharge thrives under aggressive cutting schedules, delivering exceptional yield potential throughout the growing season.

It delivers exceptional disease resistance, earning a perfect 35 out of 35 on the Disease Resistance Index (DRI), including highly resistant ratings to both Race 1 and Race 2 Aphanomyces. With excellent winter survival and persistence, Turbocharge combines superior disease protection with long-lasting stand performance to maximize productivity year after year.

Head to Head Dry Matter Yield (Tons/ac)

Key Characteristics
High Yield
Aggressive Regrowth
Exceptional Disease Resistance
Outstanding Winterhardiness
Excellent Persistence
